PETITION UNDER RULE 37 CFR 1.47

Dear Sir:

One of the inventors of the above-referenced application, David Barry, cannot be found or reached after a diligent effort to do so. Thus, the above-referenced application is being made by the other signing joint inventors on behalf of themselves and the non-signing inventors.

Further, the owner of this application is Meritor Light Vehicle Technology, LLC. Mr. Barry was under obligation to assign inventions to Meritor.

The last known address for Mr. Barry is as follows:

63 Bull Street
Stratford Upon Avon
Warwickshire, CV37-6DS

Several attempts have been made to contact him at this address. Letters and copies of the application were sent to him on January 12, 2001 and February 12, 2001. We have received no response to these inquiries and have been unable to obtain a forwarding address. In addition, Mr. Barry is one of the named inventors for five other applications for this assignee. There has been no response from Mr. Barry regarding any of the applications.
